Your Avis Preferred Service Level

When you sign below you are signing up to the fastest way to rent a car. Once you sign up to the Avis Preferred Rental Terms and Conditions (which we will send with your membership card) you will never have to sign a rental agreement again. Just go to an Avis Preferred counter, get your keys, and go. At some locations you can bypass the counter and go straight to your car.

However, if you would like to sign a new rental agreement each time you rent, and do not want access to the 'bypass the counter' service and other future speed-of-service benefits, then please tick here. Please note this may result in a reduced speed of service.
