Top Tips

- *Remember to always quote your IATA number when booking through Avis Central Reservations.*
- *Always use your AWD number N175601 to access the correct rates and use RC-BEST to get the best available rate.*
- *For bookings in the US and Canada please do not use RC-BEST as the rate linked to your AWD is fully inclusive of all the mandatory insurances.*
- *Remember to remind your customer of the non-cancellation fee and add their method of payment to the booking.*
- *Remember to re-issue the e-voucher if you make any modifications to the reservation.*

With Flights:

CSZIS1/VT-CCMR S1 Segment number
RTSVCC2 Takes you to the rate rules for booking on line 2

TOP TIP - Always look at the Total Cost. If there is no rate returned cancel and try again.

Requesting the E-Voucher:

Once the booking is confirmed you can request your e-voucher as follows:

CVP/S3/ET (where S3 = segment 3)

The voucher number will be returned in the /EVN field

- The segment also shows a /CK in the segment this is the Amadeus sequence number.
- To reissue an e-voucher the agent must include the passenger association at the end of the entry eg CVP/S3/ET/P1
